

Birthday Blessings For Pope Benedict XVI

Thank you so much for your enthusiasm and support for our service project “Birthday Blessing for Pope Benedict XVI”. I hope you are anticipating the Pope’s visit to the United States and that you keep him in your prayers during his travels.

As mentioned in the last letter, Grades K, 1, & 2 will complete their service within the family. We have asked that the students complete extra chores (siblings may participate as well). Parents, if you could please fill in the time sheet at the bottom of this page and turn it in to your child’s teacher, we will be able to log the total number of service hours donated by SCS students. Attached also is an *optional* calendar to help your child keep track of his/her service hours for each day/week. Your child does not need to turn in the calendar; the time sheet at the bottom of the page is the only item to be turned in. All service hours must be completed sometime between April 15th and May 15th. Please return the bottom part of this sheet by May 15th.

Again, thank you for supporting such a great gift to be presented to our Holy Father. I am sure he will be thrilled that so many people are offering so much in his name.
